

Little Learners Nurseries Policies Introduction

Children learn best when they are healthy, safe and secure, when their individual needs are met, and when they have positive relationships with the adults caring for them.

Little Learners policies and procedures are designed to meet the safeguarding and welfare requirements within the Statutory Early Years Framework Stage, September 2021. By meeting these requirements enables us to provide high quality nurseries which are welcoming, safe and stimulating, and where children are able to enjoy learning and grow in confidence. Our staff have access to the policies and procedures below and we have systems in place to check staff understand and follow policies and procedures.

Printed copies of our policies and procedures are available to parents and carers in reception areas in our nurseries and on our website (<http://www.littlelearners-nurseries.co.uk>).

All policies are reviewed annually, or sooner if required.
